

Heating and Air Conditioning Service Agreements

Commercial

Sign up for an annual service agreement now, and if you have a service agreement from the date of the signed service agreement on the equipment, we serviced under the service agreement ***we will apply a credit to your service call up to the amount you paid for the service agreement with a maximum of a \$250.00 credit.*** This service agreement will also provide you with a **15% discount** on all parts for the term of the agreement.

Note: Any problems found during the service check that are not addressed or repaired at that time will not be eligible for the credit on a later service call.

Residential

Sign up for an annual service agreement now and if you have a service call within one year from the date of the signed service agreement on the equipment, we serviced under the service agreement ***we will apply a credit to your service call up to the amount you paid for the annual service agreement.***

This service agreement will also provide you with a **15% discount** on all parts for the term of the agreement.

Note: Any problems found during the service check that are not addressed or repaired at that time will not be eligible for the credit on a later service call.

In order to give you a service agreement quote, we will need to do a NO CHARGE onsite survey of your equipment to record information such as:

- Model numbers of your equipment
- Serial numbers of your equipment
- Filter sizes
- Belt sizes where applicable

We will also note accessories such as:

- Humidifiers
- Electronic air cleaners
- Ultraviolet light air purifiers
- Ionization air purifiers
